As a 20 year resident of the North Shore Koolauloa area, I vigorously support Bill 1 content in updating the Ko'olauloa Sustainable Communities Plan. This bill preserves the rural character of Ko'olauloa (Northeastern O'ahu from Ka'a'awa to Kahuku) and omits the "Envision La'ie" development project proposal. The infrastructure of our road cannot safely guarantee daily or emergency transport for the current residents let alone even more. Any increase in housing can be contained within the current footprint of the BYU college. We must preserve our remaining agricultural lands on O'ahu and concentrate development within the urban core.
